

# Citation

*Presented to*

## ***Construction Industry Cooperative Committee of Minnesota***

*The Blue Book* has established a uniform standard of excellence for construction documents and practices within the State of Minnesota. More than 40 years in practical use as a reference source for the construction industry, *The Blue Book* clearly represents an outstanding accomplishment in technical writing. Therefore, you are presented the Citation on the 21<sup>st</sup> day of April 2004.

*Edith S. Washington, FCSI, CCS*  
President
